

"Call me..." train!

# Part ① "Call me..."

- Introduce yourself with "Call me..." and "I like..."
- But, what you like **MUST** start with the same letter as your name.

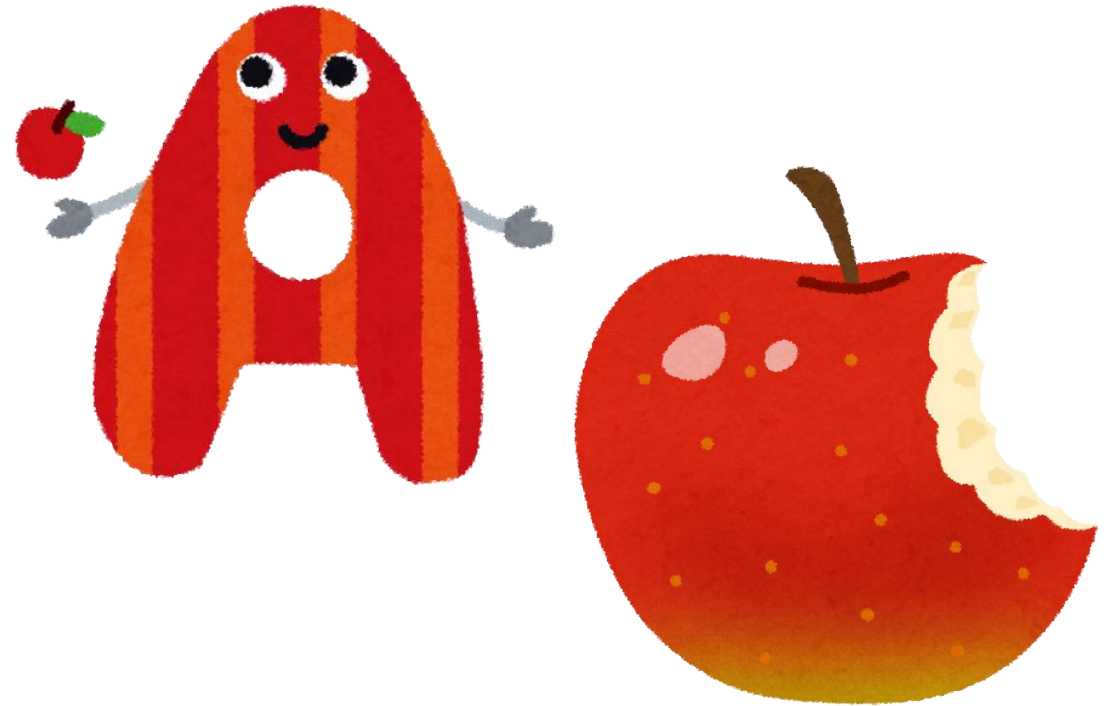

For example:

Call me **Mike**. I like **monkeys**.

Call me **Sato**. I like **swimming**.

Call me **Asami**. I like **apples**.

Call me **John**. I like **jump rope**.

## Part ② "Call him..." / "Call her..."

- But! You must listen carefully, because you will introduce all of your friends before you.
- You will use "Call him..." or "Call her..." to introduce them.

For example, if Asami was 1<sup>st</sup>, and Mike is 2<sup>nd</sup>:

Call me **Mike**. I like monkeys.

Call her **Asami**, she likes apples.

# Goal

- The goal is to say everyone in the class without breaking the train.
- So, the last person will introduce themselves, and everyone in the class!
- We will see how long each 2年生 class can go. The class with the longest train is the winner!
