

The Easy Breezy Bottle 3000™ Sales Pitch

1. Introduction

- Hook
- Name of Product
- Explanation of Product

Hook: Questions that make the audience interested

Are you tired of drinking cold tea? Do you want your soda to be ice cold? Is the temperature of your drink important to you? If you said "yes" to these questions, I have the best product for you: The Easy Breezy Bottle 3000!

Explanation: What does your product do?

The Easy Breezy Bottle 3000 is a high tech bottle that will make any drink the perfect temperature. For a hot drink, simply press the fire button. It will create a fire in the bottom of the bottle, and make your drink hot. For a cold drink, press the ice button. The bottle will create ice to make your drink cold.

2. Reasoning

- Who should buy your product?
- Why is your product better than other products?
- Why should someone buy your product?

Reasoning: Reasons why someone should buy

The Easy Breezy Bottle 3000 is a great product for everyone, especially teachers! Teachers should buy our product so their tea can be hot all day at school. Our product is better than other products because you can use it anywhere! You can make hot coffee in the bathroom! You can make iced coffee in the car! You can make hot tea on the train! You can make iced water at the park!

3. Conclusion

- How to buy your product
- How much your product costs
- How this product will help you or change your life

Conclusion: Finish your sales pitch

The Easy Breezy bottle will make your life simple and easy. If you buy the Easy Breezy Bottle, you can save time, and always have a delicious drink. Everybody who buys this bottle is happy!
